All,

Beginning tomorrow – we will use operator assisted calls for the daily GKM press call. Attached is the press advisory for tomorrow, Monday, Aug 10.

Paula – I can walk you through the formatting and management using this system.

Please note that SPEAKERS (and support staff) call a DIFFERENT number at [Nonresponsive Conference Code]. An operator will ask for ID which is [Nonresponsive Conference Code], Gold King Mine – EPA Media Call. Do not share this number. I have included Jared, Ron, Shaun, Paula, Kelly, Liz, Lisa and myself on this list. If I need to add other speakers who must call in from a separate phone – SEND me those names.

Participants including media will have their lines muted. They will be prompted for questions and prioritized by the operator during Q/A session.

Please distribute this advisory to your reporters.
